

We will start counting the votes at ___:___ p.m. You are welcome to watch!

During the count

- The counters and the electoral committee members count the votes.
- You can watch, but you cannot help with the counting. Do not disturb the counting process.
- You can make notes, take photographs and make videos.

Important note! If any people are recognisable in your photographs or videos, you can only distribute those with their permission.

Do you think that something is going wrong?

Tell a member of the electoral committee. An electoral committee member will note your objection in the record.

After counting

Once the electoral committee members have finished counting, you can take a photograph of the numbers. You cannot photograph the signatures.

? If you have any questions, ask one of the electoral committee members
